About EnterCircle

EnterCircle is a [Sapna Foundation](#) collaboration with local entrepreneurs, educational institutions and successful business professionals that will bring a power-packed schedule with inspiring topics and experienced speakers focused on delivering valuable takeaways. The summit focuses on three audiences: small businesses owners & entrepreneurs, youth and women.

EnterCircle Summit was established, as an annual summit, in 2021 to inspire, connect, educate and cultivate entrepreneurship across Northeast Florida. The dates coincide with the Global Entrepreneurship Week, which is from November 13 - 19 2023. The 2023 program is all about thriving and finding the purpose that will propel you forward in your journey to accomplish your dreams.

EnterCircle participants will learn the power of living a purpose-driven life, and how your purpose can create positive changes in your industry, your life, and the world. We want our attendees to thrive, so we provide opportunities for networking, panels with successful leaders, business pitches, interactive workshops and one-on-one discussions.
